

Come on. Let's Go! Armistice-Pioneer Day, November 11th

PRESIDENT ISSUES
PROCLAMATION

Urges People to Observe November 24th as Day of Prayer and Thanksgiving.

Monday President Harding issued the following proclamation, urging the people to give thanks for the blessings they had received:

"That season has come when, alike in pursuance of a devout people's time-honored custom and in grateful recognition of favoring national fortunes, it is proper that the president should summon the nation to a day of devotion, of thanksgiving for blessings bestowed and of prayer for guidance in modes of life that may deserve continuance of divine favor.

"Foremost among our blessings is the return to peace and the approach to normal ways again. The year has brought us again into relations of amity with all nations, after a long period of struggle and turbulence. In thanksgiving therefore, we may well unite in the hope that providence will vouchsafe approval to the things we have done, the aims which have guided us, the aspirations which have inspired us. We shall be prospered as we shall deserve prosperity, seeking not alone for the material things, but for those of the spirit, as well; earnestly trying to help others, asking before all else, the privilege of service.

"Ours has been a favored nation in the bounty which God has bestowed upon it. The great trial of humanity, too, indeed, we bore our part as well as we were able, left us comparatively little scarred. It is for us to recognize that we have been thus favored and when we gather at our altars to offer up thanks, we will do well to pledge, in humility and all sincerity, our purpose to prove deserving. We have been raised up and preserved in national power and consequence, as part of a plan whose wisdom we cannot question. Thus believing, we can do no less than hold our nation the willing instrument of the providence which has so wonderfully favored us. Opportunity for very great service awaits us if we shall prove equal to it. Let our prayers be raised, for direction in the right paths. Under God, our responsibility is great; to our own first, to all men afterward; to all mankind in God's own justice.

"Now, therefore, I, Warren G. Harding, president of the United States, do hereby designate Thursday, the twenty-fourth of November, to be observed by the people, as a day of thanksgiving, devotion and prayer; urging that at their hearthstones, and their altars, they will give thanks for all that has been rendered unto

CHOOSE YOUR
CANDIDATES

As next Tuesday will be election day we wish to call attention to the various nominees on the ballot for the city offices for the ensuing two years.

The republican nominee for mayor, T. J. Jones, is a man of unassuming personality, conservative and is known as a successful business man in all the business affairs with which he has been identified for years in Cedar. He has the welfare of the city at heart and the party chose a man in whom the people have confidence. He has had considerable experience in city affairs and at present is a councilman, who has given much of his time to aiding in the progress of the town.

The democratic nominee, Parley Dalley, is a young man who has also had experience in municipal affairs. He is capable, earnest and conservative, and a man who believes that only by the united efforts of all the people can a city grow to its proper standard, and by careful co-operation with the people and by leadership in the vital problems that constantly come up, the city officials can materially assist in making Cedar an ideal city. Mr. Dalley is at present an instructor in the B. A. C. and is considered to be among the foremost educators in southern Utah.

The long term councilmen, J. G. Pace, republican, and Edward J. Palmer, democrat, are both wide-awake men and desirous of seeing that municipal affairs of Cedar are handled in the most approved manner. Both are conservative, Mr. Pace being, in our opinion, more pronounced along this line. Either man would do all in his power to fill the office of councilman as it should be filled and would do nothing detrimental to the future progress of Cedar.

The short term councilmen, M. D. Higbee, J. R. Robinson and Dr. J. W. Bergstrom, republicans; F. W. Middleton, Richard Williams and Lehi M. Jones, democrats, are all men of whom nothing but good can be said, and we feel confident that those elected will act in good faith and work for the best interests of the city. Mr. Jones, the youngest man of all, is studious and conservative, and a man whom both republicans and democrats alike respect.

Mrs. Sadie Buckwalter is the nominee for treasurer on the republican ticket, and is the present incumbent of that office. She has given entire satisfaction, is capable and those who support her need have no fears that the particular part of the city affairs she will handle if elected will be neglected.

Mrs. J. M. Foster is the democratic nominee for treasurer, and is well known and capable. She has had considerable training in business affairs, and if elected will undoubtedly handle the treasurership in a satisfactory manner.

So far as we are able to determine there is but little choice between the nominees, so we can only advise that the voters study the ability of each and vote for the persons that appeal to them as being worthy of their franchise.

them, and will pray for a continuance of the divine fortune which has been showered so generously upon this nation.

"In witness whereof, I have hereunto set my hand and caused to be affixed, the seal of the United States of America.

"Done at the capital of the United States, this 31st day of October, in the year of our Lord, nineteen hundred and twenty-one, and of the independence of the United States, the one hundred and forty-sixth.

(Signed)
"WARREN G. HARDING

"Charles E. Hughes,
"Secretary of State."

Have you noticed recently the number of correspondents the Record has? By reading the happenings as published from the various towns of the southern part of the state our readers may know of the doings of the inhabitants, many of whom are close friends and relatives of the people of Cedar.

SUPPLICATION
FOR PEACE.

To the Members of the Church of Jesus Christ of Latter Day Saints, Parowan Stake of Zion: Sunday, November 6, 1921, has been designated by the First Presidency as a day of prayer for the success of the Disarmament conference, which convenes in Washington on Armistice day, November 11th.

Bishops in all the wards of the Parowan Stake are asked to conduct the Sunday services in harmony with this prayer program.

It is the hope of humanity that out of this conference shall come some means of assurance that the nations will find a better way of settling their differences than by resorting to war with all its attendant horror and destruction.

To this end let us supplicate Our Father in Heaven who shapes the destinies of the nations as of men, to broaden the vision of the conference delegates and remove from their hearts the national self-interests and pride which has prompted in the past the rivalry in building and equipping armies and navies that they may gather around the conference table with the feeling in their hearts that they are the representatives of humanity at large.

To all believers in Christ, not of our faith, but who reside in our midst, we extend a cordial invitation to join with us in this supplication for peace on earth, good will to men.

ARMISTICE-PIONEER DAY

(Apologies to Tennyson P. Daft)

Come one and all, both great and small

On Armistice-Pioneer day,

There'll be pleasures rare, be ye short or tall

If half is true that they say.

The folks will be here from miles around

And the town will be full of life,

From the tops of the buildings to the ground

And the town will be full of life.

We will celebrate to our Pioneers

And feed our soldier boys,

Thru the ages, now, that are dim with tears

We'll praise them all to the skies.

November eleventh is the day

On Friday too, it comes;

From noon to midnight, as they say,

There'll be old folks, daughters and sons.

And so, my friend and brother, too,

And sister, if you please,

Cedar invites all—and this means you

To help swell the festive breeze.

Next week is "Home Town Paper Week." Be sure and hand in your subscription. And if possible, subscribe for some friend or relative who lives in distant parts. The paper would be appreciated as a gift.

Why not have your printing done at home? It can be done as cheaply and as artistically as it can in any city in Utah.

Marshall of the Day—Walter K. Granger.

We suppose the business houses in Cedar will close next Friday, altho we have no definite information to that effect. However, The Record office will be closed on that day and the paper published on Thursday.

TO KEEP FILING IN
GOOD STANDING.

Citizens to Meet Sunday and Arrange Plans for Furthering Duck Lake Project.

A meeting of the citizens interested in Duck Lake was called for Wednesday evening but was so poorly attended that it was decided to adjourn until after the services next Sunday afternoon.

The purpose of the meeting is to keep the present filing in good standing, which will require that more work be done on the ditch this fall. This is a matter that we cannot afford to neglect for a minute as there are other parties who are only waiting for our filing to lapse so they may file. It would be a calamity to us if we should permit this water to slip away and be appropriated in other sections of country or to permit other parties to speculate in it at our expense.

We hope there will be a full attendance at the meeting.

DUCK LAKE COMMITTEE.

COLLEGE CLASS

CELEBRATES HALLOWEEN.

The College class of the B. A. C. gave a big Halloween party last Friday night in the B. A. C. auditorium, at which a large number of students and townspeople were present.

At the main entrance to the science building the guests were summoned to the dark basement by "spooks" and then taken through a series of mysterious and ghostly tunnels in which many terrifying things happened.

After leaving the room of horrors the guests were invited upstairs, and spent the remainder of the evening dancing.

Witches broth was served to the guests at eleven o'clock and Miss Lucile Kunz as fortune teller unfolded the future to all who wished to know what awaited them.

The auditorium was beautifully decorated in Halloween colors, pumpkins, black cats, etc., which added much to the spirit of the occasion.

The party was a great success and the College class is to be congratulated on having initiated the first of a series of big social events to be given this winter.

LIBRARY NOTES.

The first gift to the Daughters of the Pioneers library was made by Mrs. Julia A. Cox, a large scrap book, every leaf filled with clippings from our state papers of interesting events and historical value. This book was made by her deceased husband, Edwin C. Cox, and the not all the material is dated it seems to have been collected mainly in 1905. The book is a gift to be much appreciated.

We now expect to begin making three or four large scrap books and ask the citizens to assist us, by giving us all obituaries or other biographical sketches they may have saved of those loved ones who have gone before, any writeup of our city, county or church organizations, including the old dramatic and choir organizations. With all the assistance we can get we have years of work to do just to make a beginning, which, if properly continued, will be never ending. Please bring all the material to the public library.

LIBRARIAN.

NOTICE.

The Daughters of the Pioneers will meet Monday, Nov. 7, in the Tabernacle at 2:30 p. m., to elect officers, after which the following program will be given:

Talk—Mrs. C. A. Thompson.
Vocal duet—Mrs. Violet Urie and Mrs. Annette Bettenson.

Talk—Mrs. Sarah A. Bullock.
All who are interested in the work of history making of the state are urged to be present.

Once more sneak thieves have been operating. This time they have stolen the tools from the auto belonging to Geo. Urie. Mr. Urie claims he knows who the guilty parties are and unless they replace the tools prosecution will follow.

PRAYER DAY
SERVICES.

Next Sunday has been designated as "Prayer Day" and the officers of the East and West Wards have arranged the following program for the services:

Singing by the choir.
Prayer by U. T. Jones.
Singing, "Prayer is the Soul's Sincere Desire," by the choir.

Blessing of children and confirmation by officers of the wards.

Specials.

Solo by Mrs. Annette Bettenson.

Talk by Wm. R. Palmer.

Violin Duet by Orien Dalley and Rulon Jones.

Anthem, "Daughters of Zion," by the Choir.

M. I. A. MEETING AT ENOCH.

A number of M. I. A. Stake officers visited Enoch Ward Sunday night. The meeting was conducted by the Beehive girls and Scout boys. Stake Beekeeper, Rhoda Palmer, conferred the rank of "Keeper of the Bees" on Irena Gibson and Drucilla Grimshaw. Thirteen other girls completed different ranks.

George Grimshaw, scout master, displayed the charter received by the scouts and gave certificate of first class scout to Vernon Jones. Ten others received certificates for second class membership. The meeting was a very creditable and impressive affair and was enjoyed by all present.

SHOULD BE STOPPED.

Tuesday afternoon a crowd of boys were noticed coming through the avenue between the Co-op. and the Bank of Southern Utah buildings, and they were teasing and insulting a crippled lad who had no one to defend him.

A number of the boys used language that would not be tolerated in many towns with which we are acquainted, and the taunts, slurs and cuffs they gave to the crippled lad were shameful.

The object of their derision could not combat them all, tried his level best to avoid them, and get away from his tormentors, but could not.

Fortunately two citizens who happened to be traveling that avenue put a stop to the abuse, but unfortunately, as usual, there were no officers in sight to apprehend the boys for the use of unbecoming language.

We wonder if the parents of these lads know of the actions and foul language they indulge in?

We wish our readers to know that when we make an error we will appreciate it if they will notify us so that correction can be made. We desire at all times to publish reliable news only.
